

# DOG POOP!!!

If Stormwater Stan and other dog owners don't clean up after their pooches, **390 MILLION POUNDS OF POOP** can wash into our waterways every year just in Colorado! Dog waste contains 10% phosphates and 2% nitrates, contributing to algae growth and unhealthy waterways, including E. coli!

Hey Stormwater Stan!! Jimmy the Border Collie does not have access to bags or thumbs!!

Don't be like Stormwater Stan!! Pick up after your dog!!
