

Mesa County Real-Time Virtual Reference Network (RTVRN) registration instructions.

To sign up for an RTVRN account, please go to rtvrn.mesacounty.us

Click register.

Please complete the form as completely as possible. This will allow us to contact you about possible outages or new features of the RTVRN. If you have an account but need a second, go to the [Additional Account Section](#).

Create Account
Register a new account:

| Personal Data | |
|----------------------------------|--|
| First Name: | <input type="text"/> |
| Last Name: | <input type="text"/> |
| Address: | <input type="text"/> <input type="text"/> |
| Zip Code: | <input type="text"/> |
| City: | <input type="text"/> |
| District: | <input type="text"/> |
| Country: | <input type="text"/> |
| E-Mail: | <input type="text"/> |
| Separate multiple e-mails by "," | |
| Additional E-Mail: | <input type="text"/> |
| Phone Number Home: | <input type="text"/> |
| Phone Number Business: | <input type="text"/> |
| Phone Number Mobile: | <input type="text"/> |
| GSM Phone Number for TNC: | <input type="text"/> |
| Language: | <input type="text" value="English (en-US)"/> |

Click Next to move on.

Enter your Organization's name. If you are not part of an organization, enter your name or something you will remember. This is important when using the RTVRN system because your organization name and username are unique.

Complete the login data portion and remember or write down your information.

To log in and use the system, you will need:

Organization

Username

Password

A screenshot of the Mesa County RTVRN registration form. At the top left is the Mesa County logo. Below it is a grey navigation bar with the text "Mesa County RTVRN" and a breadcrumb trail "> Home > Register". On the left side, there is a vertical menu with options: Home, Sensor Map, Login, Register (highlighted in blue), External Links, and Trimble. Below the menu is a small American flag icon. The main content area is titled "Create Account" in red. Below the title is the text "Register a new account:". The registration form itself is titled "Login Data" in a dark blue header. It contains four input fields: "Organization:", "User Name:", "Password:", and "Confirm Password:". The "User Name:" and "Password:" fields have a red asterisk to their right. Below these fields is a security code image showing the characters "SE 7 8 d". Below the image is a text label "Security code shown above:" followed by an input field. At the bottom of the form are two buttons: "Previous" and "Register".

When complete, Click **Register**.

The GPS Survey Group will then email you with a link to a form. We have some additional questions we would like you to answer to help us manage your subscription. If you do not complete the form or respond to the email, your newly created account will be deleted after one month.

Once your account has been verified, you will receive additional emails stating you have been approved.

If you have an existing account and need an additional one for different equipment, you must enter a unique email for the new account. Every account needs its unique email address. To circumvent this, enter a number behind your already-in-use email address into the required "email" field. So we can contact you, please enter your current email address in the "additional email" address field.

Again, this is for an additional account.

For example:

Email:

youremail1@email.com

Additional Email:

youremail@email.com
